NEW TRUSTEE'S

A warm welcome to our new Trustees!

You will have seen us mention Rita Gibson in the last newsletter however we want to share more about our wonderful Rita. Her and her husband Colin (The Plumber!) have been part of the local furniture for 40-50 years. She is a mother of 3, grandmother of 6 and is involved in the Ngunguru Pool Club, Line Dancing Club, runs the Roaring 40's exercise group and is Club Captain at the Game Fishing Club. With a background in Carer Support she just loves to be around people.

Trevor Talbot is our newest member to the Trust. He has been a full time Coasty for the past 6 years but been a regular to his holiday home in Ngunguru for the past 20 years. Update

Well, here we go, another month has come and gone very quickly. Hope you all have been keeping nice and warm in this horrible weather. We sure have had a lot of rain really wet down our end of the village.

July Happy hour was well attended by a great group of residences, always get a good laugh at these functions. The Quiz question was What Is a Kiwano? Well done to Liz for getting the answer. I had no idea never heard of it. It is an exotic fruit from Africa. The evening was finished off with a nice sausage sizzle.

Thanks to all who come to the mid-winter dinner on Saturday night. Such a shame the All Blacks were playing the same night and a few left early to watch the game. Will take this event next year back to a weeknight or maybe a lunch. Well done to the winners of the door and spot prizes. Thanks to all the cooks, helpers, and singers on the night.

Margaret and Doug are getting rid of a lot of things in their garage feel free to go and look you could find a treasure, also Margaret is getting rid of some paintings if you would like one a donation to the SPCA please.

Thank you to Peter McKay for a donation to the committee to buy some prizes for our fun events.

Anybody got any ideas for another fun night? Maybe a Quiz Night bring your idea to the next Happy Hour Sun Aug 7th
