Don't forget to please contact your bank before your next payment comes out, fee's increase to \$420 per month from **1st of July**. Thank you.

HALL UPDATE

We hope that everyone has had a chance to enjoy the new and improved Hall! We are currently looking into a visual and audio set up that will include TV, speaker and wireless mic's. The proposed relocation of the small shed to behind the hobby shed has been changed to remain close to the hall for extra storage space for tables and the like.

The subject of hall usage/events was raised at our Trust meeting. The Hall can be used by the community as long as least one Resident is present and approval from the Trust. Requests in writing please - nrtrust@gmail.com

WITH THANKS

On behalf of the Trust and Residents we would like to give a very special and big thanks to local artist Paul DuFlou for the donation of his stunning painting prints to the Hall, they sure have brightened up and beautified the place! Big thank you also to Bill McQuinn who organized the prints and had them all beautiful framed for us. If you see Paul or Bill around don't forget to tell them how great they look!

Thanks also to the Coastal Gardens crew the lawns are looking fantastic! Bill will be transitioning from Lawns Caretaker back to Trustee so you will still see him around. Thanks for everything Bill!

From the Social Club.....

Birthdays were celebrated in May by Allan Dennis, Marj Larsen, John Whitehead, and Linda Spratt. Hope you all celebrated in style on your special day.

Happy Hour on June 4th only drew a small crowd for our first one after the opening of the hall mainly due to the worry of catching Covid scare as it raised its head again.

The attendees were very happy with the hall and a good time was had by all.

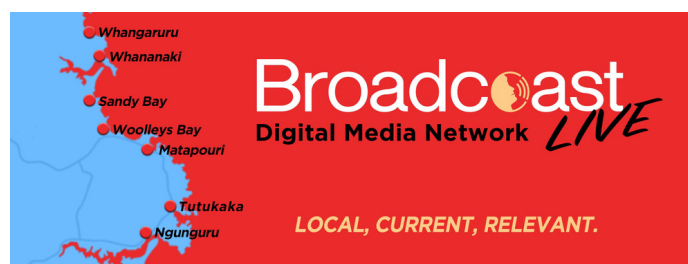

The next happy hour will be on Sunday July 2nd.

The hall is looking good with the addition of blinds and users to date have said they work well in the evenings too. The Trust committee are working their way through adding the additional sound and visual entertainment which will hopefully be completed before the hall opening on 9th July.

Special thanks to BROADCAST for your support to Ngunguru Retirement Village providing free advertising on your local TV and Social Media Channels! We appreciate your generous support.
