Another Trip around the Sun:

The June birthdays are – Peter Robertson and Ron Thompson. Special birthday greetings to our latest nonagenarian – Ron Thompson. Only another 10 years Ron, and the King's telegram will be on its way!

Coastal Care Luncheon:

By the time you read this, the very successful Coastal Care Luncheon will have been held and as has been the norm in previous years – I can report that it was a great occasion for enjoyment, laughter and great food! Our village residents were there in force and walked away with quite a few raffle prizes. Always mark this on your calendar, as it is the only annual occasion that the Coastal Care group fundraise, but reward its attendees, at the same time with a very delicious Xmas dinner.

Mid Winter Xmas Dinner:

Tickets will be on sale shortly and we are delighted to tell you that Kim and Annette (singing duo) will be providing entertainment at our Mid Winter Xmas Dinner. They welcome any singing/dancing you care to join in with! At this stage, the cost looks likely to be \$15 per head. There will be a raffle run to help augment costs.

Winter Chills and Pills:

Tricia Cutfield was showing me her pill drop packages. For those of you who are not familiar with this enterprising idea – it is a service where all your pills are sealed into a plastic bubble (which you can pop easily) and they are identified by the day of the week and the time of the day as to when you take the pills. I was very intrigued with this and doubly so when Tricia said it cost nothing! So, as I understand it, the pills are packaged in Auckland and sent to you by courier within a couple of days – again, at no cost. Tricia said she used to have to ring her doctor for her prescription which was sent to her by courier at cost and delivered to Bob's Dairy where she had to then go and collect them from. If you are interested in this scheme – please give Tricia a call or visit. She can enlighten you further.

Get Well Soon wishes are extended to

Dawn Bate who has had more than her share of hospital dinners over the past week, but I hear she is being released from hospital very shortly; and Graeme Brider – having a bit of a bad run health-wise.

Happy Hour – 1st Sunday of the Month:

These have been well supported. Everyone is welcome – bring your own tippie and a plate of goodies to share.

By The Way.....

* Thanks in big helpings to Keith McKay who delivered the Resident's budget in layman's language. Keith is not a person who enjoys the limelight, no matter what the occasion, so when he helps put our minds at rest with clear and concise information, I know Keith has laboured for weeks over the pros and cons of the figures he presents to us.

* If you have a discussion point you would like to run past the Resident Trustees prior to the monthly Trust meeting – they are available at the Village Hall on the 1st Monday of the month at 1p.m.

* The Trust meets on the 2nd Monday of the month at 3p.m for its monthly meeting.

Cheers! Phi Wilson
