HALL UPDATE

The Hall has had a good clean inside and out and Dave and his team are preparing for the council to inspect and hopefully issue permits for use of the hall on Tuesday 16th May. Special thanks to a team of Residents and Trustee's that assisted in bringing furniture and equipment back into the hall. Thank you Kath & Bob Johnston, Murray Madden, Rita Gibson, along with Bill and Emma, as well as thanks to Irene Wyatt who has been carefully setting up the library once again. We will be sure to advise of Tuesdays outcome as we know there are some villagers keen to start making use of the facilities!
