ENDURING POWER OF ATTORNEY

An Enduring Power of Attorney (EPA) is a legal document that allows you to select who will be responsible for making important decisions on your behalf due to sickness or an injury if you are unable to. An EPA provides you with peace of mind ahead of time that your wishes will be followed. A property and financial assets EPA covers decisions about money and assets and can be put into effect at any time. A personal care and welfare EPA covers decisions about your health, accommodation, and care. Emma will be contacting most of you in the near future to ensure that the information we have is up to date. Thank you
