Trust Newsletter September/October 2022

CONDOLENCES FROM THE TRUST

The Trust would like to give our sincere condolences to Peter Robertson for the passing of Dawn. And to Sheila MacKenzie for the passing of Bruce. Bruce is acknowledged for his huge contribution to the Trust and Community over many years. Both residents will be missed and our flag flies at half mast. *A service for Bruce MacKenzie will be held at the Ngunguru Memorial Hall, Wednesday 28th September, 1pm.*

APM & AGM.

Don't forget Wednesday 19th October is our Annual Public Meeting at 10am, followed by Annual General Meeting at 10.45am in the Village Hall. Remember this is also the time that our Trustee's are re-elected including our 3 Resident Trustee's. If you would like to make a nomination you will receive nomination forms in your mailbox no less than 10 days before the APM/AGM. Along with these we will also be delivering Audited Financials, Presidents Report, Maintenance Report and Finance Report. There will be an opportunity for you to ask any questions that arise from the Reports at the meetings.

UNIT 27

As you would have noticed there has been some movement over at number 27. The Trust wishes to inform you of their decision to purchase the property from Carol's Estate. Renovations are underway to bring the Unit up to a saleable condition and we will be looking to put it on the market in October. All prospective residents require to be interviewed and approved by the Trust. If you know of anyone that might be interested in village living please send them our way!

HALL UPGRADE

Council permits are finally on their way so we expect renovations to start up again very soon. We once again acknowledge the hard work and dedication of Bruce MacKenzie to bring this project to life and see it through.

WIFI has also been installed in the hall to be used for social occasions and meetings.

DAYLIGHT SAVINGS and SMOKE ALARMS

Don't forget Daylight Savings begins this Sunday so put your clocks forward one hour, and Tsunami Sirens will be tested Sunday morning. It's also a good time to check that your Smoke Alarms are working. If you have a faulty alarm or need any help with testing please contact Emma nrtrust@gmail.com.

Social Club Update

On behalf of the committee and residences we send our sincere condolences to Peter and Family for the sad passing of Dawn. Dawn was a wonderful lady and neighbour who just loved her family and garden. We also send sincere condolences to Sheila and Family for the sad passing of Bruce. He was a valued and hard working member of the Trust overseeing many projects over the years.

Both will be deeply missed by us all.

There is not much happening in the social scene, unable to use the hall it is extremely hard to have a happy hour maybe when it warms up, we can take chairs out on the lawn and get together. Hope when we get the permits through the builder can work fast.

A message from Denise Roddis at House 34

Denise will be starting hairdresser at her home, Wednesdays Fortnightly starting from Wednesday 28th September from 9AM till 2PM. Haircuts and Blow waves.

By appointments only.

A husband (mature) offers to bring his wife breakfast in bed and asks what she would like.

I would like strawberries and cream, she tells him. "Write it down, you'll forget it" 'No, I won't' he answers. Oh, and I would like icing sugar too. Do write it down.

'No, I won't forget it'

After a little while he returns, with bacon & eggs.

I told you to write it down! she says. "you've forgotten the tomatoes!"

This next quiz is, what word starts with an E and only contains one letter?

Take care everyone
