THE WALL IN THE HALL

We investigated with our builder and architect the possibility of taking out the 'part wall' in the hall. However it has been confirmed that it is a brace wall and in order to be removed or altered would need an engineer to draw plan and a new beam/portal put in place which would be a large cost, which means the wall is there to stay. During the renovations it was scaled back from it's original length as much as possible.

NEWS

**HAPPY
BIRTHDAY**

**Birthday greetings to our residents who celebrate
August birthdays: **Maria Steadman!****

Hello and Goodbye:

Several of our residents have expressed concern that a farewell for Sheila MacKenzie has not been held. I spoke to Sheila a few weeks ago (who is now currently away on holiday down south) and we decided to have a combined morning tea for Farewell Sheila and Welcome Phil. Sheila will let me know (when she returns north) as to what day is suitable for her to travel from Paihia and we will then organize a get together.

Pantomime Fever

60+ residents and visitors enjoyed the antics of the Panto crew. 'A big thank you to all guests who attended our social night on 31 st August. A good night enjoyed by all. Thank you also to the Cast of Cinderella who worked so hard to provide the entertainment. Supper was fantastic, thanks to all donors. A notice will be sent out to residents to invite you all to view the video in our hall on Sunday 22nd September at 4pm. Treat it like Happy Hour and BYO drinks and a plate. Thanks, Irene and Thy Troupe'

Happy Hour – 1st Sunday of the Month:

Although not a formal Happy Hour on September 1st , residents were still able to have a get together if they wanted it on Fathers' Day, and some took advantage of this.

Donation to Tutukaka Coast Community Patrol:

The Social Club has agreed to donate towards some equipment for the Tutukaka Coast Community Patrol. Allen has been asked to confirm what equipment is required to enable the Patrol to do its job, and he will report back to the next Social Club Meeting. By the way, thank you to both Allen Denis and Grant Pengelly, as well as Murray Madden and Terence Walsh for taking on volunteer roles with the Patrol.

By The Way:

> If you have a discussion point you would like to run past the Resident Trustees prior to the monthly Trust meeting – they are available at the Village Hall on the 1st Monday of the month at 1p.m.

> The Trust meets on the 2 nd Monday of the month at 3p.m. for its monthly meeting.

Cheers! Phi Wilson
