## KERBING

There have been many discussions about Kerbing, including at our latest AGM. The Trust has taken all information and concerns into consideration and made a decision at the Monthly Meeting on Monday 19th December. Any Resident who wishes to make alterations to the Kerbing in front of their home may do so, but will be required to organize themselves and at their own expense. The Trust does request that you please make contact with one of the Trustee's or Emma at [nrtrust@gmail.com](mailto:nrvtrust@gmail.com) to notify us of the work that is going to be carried out and to confirm that it is to be undertaken by a licensed practitioner. This ensures quality work to uphold Village standards and not cause any interruption to water flow. Thank you.

## WATER RESOURCE CONSENT.

 After a reasonable amount of paperwork and correspondence this has now been granted for another 10 years! Special thanks to Graeme Brider for keeping on top of the health of the Village water supply.

## CREEK

After a visit and report from a WDC engineer they have now referred us to a Geotechnical Engineer. We continue to work through to reach a satisfactory outcome for all in regards to the cleaning out of the Creek and Creek Erosion.

## FROM KATH AND THE SOCIAL CLUB..

Our Christmas get together was held on Sunday 4th December. The weather was kind to us as we had it outside due to the Hall being under construction. Thanks to Wendy for organizing two gazebo's (they were great!) and the Trust for the drinks. The Quiz question winner was Rita. The Xmas raffle was won by Ruby, 2nd prize Murray, 3rd prize Ellaleen. The Social Committee would like to wish you all a Merry Christmas and a Happy New Year!
