Trust Newsletter March 2022

Welcome to our first Newsletter of 2022 following our February Trustee Meeting. Can't believe Summer is over already ☀️

Grounds & Maintenance

Lots of great feedback on the Lawn Mowing by Lifestyle Lawns, lawns are looking so neat and tidy!

Kerbside - This was brought to our attention and discussed at the Annual Public Meeting. We are in contact with contractors and will keep you updated.

Hall upgrade - Bruce MacKenzie has been working hard on this project and is currently working with the designer and WDC, as well as getting expressions of interest from builders. Due to Covid all processes take a bit longer than usual.

Vegetation Bins - Thanks Graeme for organizing the vegetation bins to be emptied this has now been done.

(see answers bottom of next page)

1. What English word has three consecutive double numbers?
2. What has a city but no buildings and a lake but no water?

New Website

Look out for our brand new website going live over the next week or so! The website address will remain the same

www.nrv.co.nz

However lots of exciting changes and a brand new look including the logo you can see at the top of the newsletter.

Anzac Plaque

Thanks to Graeme Brider for organizing this on behalf of the Trust, and Lew Price for fixing into location at the Anzac Flagpole. We think it looks great!

Podiatry Services

Jennifer Griffin is a registered Podiatrist, based in town, however she has contacted us in regards to home visits. If she is able to co-ordinate a number of visits in one day she is able to keep costs down for Residents. Please contact Jennifer on 09 438 8207 or jennifergriffinpodiatry@gmail.com

SOCIAL CLUB NEWSLETTER

The first newsletter for 2022, lets hope it will be a better year than 2021 regarding the covid.

Despite saying this we have started the year with a Tsunami doing a lot of damage at Tutukaka Marina, Omicron in the area and a heatwave which was unbearable for a couple of weeks.

Not a lot to report at this time of the year. Everyone keeping out of the heat and doing their own thing.

January was very quiet around the village, but we still did manage to have our usual Happy Hour on Sunday the 2nd, not so many there this month but a few hours of fun followed by a sausage sizzle. The quiz question was won by Shelia.

February Happy hour we had a good turn out and a big welcome home to Lois. Nice to see you back home. Also thank you Murray for the lovely Camembert cheese you bring along.

The quiz this month was won by Mark (our lovely trust member)

BOWLS.....The annual Village Bowls was going to be held in February but is postponed until March or April. We need more players for the village if you would like to take play please Phone Liz or Alan. This is always a fun day specially when we win.

I'm loving the new lawn contractor, never seen the lawns looking so neat he even weed eats around the trees and shrubs and finishes all in a day.

Hope you are all happy with him.
