

Trust Newsletter Nov-Dec 2021

Christmas is nearly here! Once again it has rolled around in the blink of an eye. Hope you have had time to get your Christmas cards organized! We trust that our Villagers are looking out for one another during this silly season.

Village Enhancement

Thanks again to Bruce MacKenzie for all his hard work upgrading the hall. We are now in the design & consent process with hopes of the build progressing in the New Year. We will keep you updated!

Grounds & Maintenance

It has been brought to the Trust via our Health & Safety report this year as well as from some of our residents a couple of area's in the village that are in need of attention.

- > Roadside Kerbing - difficulty navigating some of the kerbing, particularly for those with frames and scooters.
- > Refurbishment of boundary fence and tidy up of the creek area.

The Trust wish to inform you that after discussing at the Trust Meeting investigations are underway and we will keep you informed with how things progress and any outcomes.

Fibre Installation

Thank you to Graeme Bridger who has been liaising with Chorus and attending to Resident enquiries.

We know there have been a few issues and Chorus have advised that they will be back within the next couple of weeks to clean up and finish off.

A reminder if you wish to tap into the Fibre please contact your internet service provider.

Farewell & Welcome

As mentioned in our last newsletter our wonderful Bruce McKenzie has decided to step down from the Village Trust - we thank him once more for his hard work and invaluable counsel over the years. We would like to thank and welcome someone you all know, Ross Holland, onto the Trust as a village representative.

We also farewell Trish Ellis from her position on the Trust and thank her for her service. We extend a warm welcome to Bill McQuinn who takes her place.

Covid-19 Update

We understand these are unsettling times for everyone with Covid-19 and the opening up the Auckland borders.

Thank you for the open discussion at the APM/AGM. All your thoughts and concerns have been heard by the Trust.

Thank you also for adhering to the Government guidelines by wearing a mask, signing in and social distancing at our meeting. We await our next government directive & mandates which we anticipate will be coming very soon.

We would also like this opportunity to thank Jane for speaking to us at the APM as a Northland District Health Nurse.

Community News

The Ngunguru Fishing Club is holding a Car Boot sale on Sunday 12th December if you would like to grab a bargain! Or to host a stall please contact Jan on 0272444166.

SOCIAL CLUB NEWSLETTER

NOVEMBER/DECEMBER

Wow another month down and Christmas around the corner! The weather has been very warm, I see a few of you already swimming.

We had a great MELBOURNE CUP day in the hall with a good crowd turning up and a few dressed up for the occasion. A lot of sweep stakes taken, and some good horse racing done on the wooden horses. The six races were won by Dawn B, Heather, Pat, Brian, Dawn R and Leonnie. The winner of the Pohutukawa Cup was Dawn Bate. Best dressed prize won by Pat. We had a few lucky prizes as well. A special thanks to Peter R and Bob for setting up the racetrack, Graeme and Irene for organizing the sweepstakes which is a big job - well done you two!

Thank you Murray for all that wonderful grinning gecko camembert cheese and to Andrea for the wine.

Another lovely happy hour on Sunday 7th not so many there this month but still as noisy as ever. The winner of the quiz was Gaye.

I went to see a friend at Jane Mander last week and as I was walking down the corridor I was met by Rosemary. Her room was next to my friends, so I was able to have a catch up with her. She was very chirpy and said to say hi to you all.

CHAIR YOGI is on in the hall every Wednesday at 10.30am. Would be nice to see a few more of you there. It is very relaxing, and the cost is \$5 for the hour.

Well done to all who have veg plots up at the gardens. They are looking extremely healthy.

Thanks, Kath
