

Trust Newsletter October 2021

Well another lockdown since the last newsletter came out so just a few notices this month. Hope every one is safe and well and managing to keep spirits high.

Village Enhancement

Bruce MacKenzie has been working very hard on the plans to upgrade the hall and taking your thoughts into consideration Hopefully this will be signed off by Council very soon - we are getting close!

The main changes we are going to see is an extension of the hall and a widening of the wheelchair ramp.

There was some concern about the back of the hall encroaching into neighbouring properties but Bruce has made sure this won't happen and is also installing a sound proof wall. Exciting times ahead.

Unit 34

You might have noticed a hive of activity at Merv's place! It is just about ready for the market and fingers crossed we will be introducing some new neighbours to you soon.

We interviewed 2 new prospective residents this month with a few others on the waitlist.

Fibre Installation

You might have noticed Chorus out and about in the Village. Once the Fibre lines are down you don't automatically receive Fibre, however you have the opportunity to contact your service provider if you wish to upgrade now or in the future. If you needed any clarification on that feel free to contact Emma or Graeme.

Trust Vacancy

I would like to acknowledge the magnificent effort Bruce Mackenzie has done for both the residents and the Trust over the past many years, but sadly Bruce has indicated his wish to step down as a village representative on the trust. His trust role will be fulfilled by an outside professional but we need a third villager to represent us on the trust.

Ross Holland has raised his hand to fill this position (thank you Ross) and as I am on the trust I feel I need to inform everyone that any villager who wishes to stand please contact me. If I receive other nominees we will need a vote as only one vacancy exists.

I would like nominees to close by the 27th October

Regards Graeme Brider
022 199-7292, 434-4411

APM and AGM

A reminder that our APM and AGM was postponed until Wednesday 17th November 2021 commencing at 10am in the Residents Hall. Will advise if there is a venue change. All welcome to attend. You would have now all received your packs and you are welcome to contact the Trust with any queries.

Rates Rebates

Pleased to report some Residents have received their Rates Rebates. Please contact Emma if you still require help.

SOCIAL CLUB NEWSLETTER

OCTOBER

Firstly, a HAPPY HAPPY HAPPY 90th Birthday (Sunday 17th)) to our lovely resident Dawn Bate. You are such an amazing lady and an inspiration to us all. We are all sorry we could not have a get together for your special day but we sure will when covid allows.

We were lucky to be able to have a welcoming in on Sunday 3rd for Phi and Dennis. A good crowd turned out and we had a fun time. Its good to see Phi and Dennis settling in so well, I know they will be such an asset to the village. The quiz question about a planet, was won by Maryanne in record time she kindly donated the prize back, and Sheila was the lucky winner. The afternoon was finished off with a sausage sizzle and hot chips. Thanks to all the helpers (Dennis do you realise you now have a new job on the BBQ)

Merv is doing OK in his new home and would like to come out one day for morning tea, His son will bring him out just need to get down to level 1 again.

UPCOMING EVENTS IF LEVELS COME DOWN

MELBOURNE CUP Tuesday 2nd Nov

HAPPY HOUR SUNDAY 7th Nov

AGM WEDNESDAY 17th Nov

XMAS DINER THURSDAY DEC 16th

Take Care and stay safe

Kath
