MERRY CHRISTMAS TO ONE AND ALL!!

With the influx of out of town visitors it is an important time to make sure we are looking out for one another in the Village. The Trust wishes you a very Happy Christmas and to stay safe, well and be Merry. All the best for the new year.

Welcome!

Just in time for Christmas! It is our pleasure to warmly welcome Denise and Ken Roddis to the Village in number 34. No doubt you have got to meet some of the Resident's here at the Christmas Dinner and we wish you a very happy summer settling into Village life and beautiful Ngunguru.

New Logo!

You might have noticed the top of the newsletter looks a little different... introducing our new NRV Logo! Thanks to GFM design for creating a logo that reflects our unique and beautiful village. New website will be introduced in the new year.

Village Enhancement

Thanks again to Bruce MacKenzie for all his hard work upgrading the hall. We are now in the design & consent process with hopes of the build progressing in the New Year. We will keep you updated!

Reminder

Please make sure you are following the road markings and not driving around the village the wrong way! It is a hazard to other people.

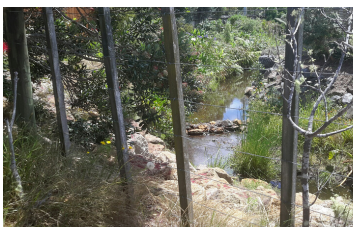

Grounds & Maintenance

THE LAWNS LOOK FANTASTIC!!

Special thanks to Ross, Lew, Dennis, Murray, Bluey, Bob, Ellaleen, Phi and Pat for getting the lawns all mowed and tidy ready for Christmas.

Adam has done a great job of clearing the creek and has rebuilt the rock waterfall dam to keep the Water deep above preventing stagnate water & mosquitos.

Retirement Village Association

The Trust is pleased to announce that we have renewed our subscription with the RVA. The RVA is a national organisation that works to represent, protect and promote the interests of its members and residents. A great support to the NRV in these unprecedented times.

Fibre Installation

A reminder if you wish to tap into the Fibre please contact your internet service provider. For your interest there are couple of Internet Providers that are offering first 1-3 months free. There are lots of good specials and you can compare deals at this website. www.broadbandcompare.co.nz/fibre

SOCIAL CLUB NEWSLETTER

DECEMBER / CHRISTMAS EDITION

First of all, a big Welcome to our new residents Ken & Denise Roddis who have moved into No 34. I'm sure you will be very happy living in our great village and getting to know everyone.

Hard to believe it's the last month of the year, that old saying is so true. The older you get the faster it goes.

Happy Hour was a no go this month, all though a few of us did manage to get together, by being in the red zone we had to make sure of our covid rulings under the Retirement Village Act, but now it is all sorted.

Once again, we have had our annual Christmas Dinner, what a great turn out for a good night of food drinks and laughter plus the music and singing at the end of the night. THANKS to the Trust for their donation for the food & drinks, people who made the food, setting up the tables and the cleaning up after the event. The lucky door prizes were won by Irene and Leonne.

Wow the lawns are looking great again, well done Rossco, Dennis, Murray, Bluey, Bob, Pat, Phi, Ellaleen and Lew. We just might give you that contract!

The Social Committee would like to wish you all a Happy Christmas and New Year.
Stay Safe and Keep Smiling
